## Articulit is...

...for Fortune 1000 companies & organizations with training or education departments.

We provide technology instruction services to both technical and non-technical company employees.

Unlike other training organizations offering pre-designed programs in their fixed locations, Articulit delivers...

- ◆ on-site or virtual
- ◆ convenient
- ◆ hand-crafted

...training courses to fill the specific knowledge gaps of the audience.

2 Venture • Suite 400  
Irvine, California 92618

t 949.553.0745
